

APPENDIX NO. 5

Fire Protection Handbook

A. Reference:

National Fire Protection Association, Fire Protection Handbook, Thirteenth Edition, Section 13 - Water Supplies and Services, pp. 13-1 thru 13-110. Boston, Massachusetts, National Fire Protection Association, 1969.

B. General Provisions:

Section 13, entitled Water Supplies and Services contains provision for the following:

1. Water for community fire protection;
2. Connections for fire protection from public water systems;
3. Piped systems of water for fire protection;
4. Water tanks; and
5. Fire pumps.

NOTE: A copy of the Fire Protection Handbook is available for inspection in the office of the Centre County Planning Commission.
